EXHIBITORS PLEASE NOTE

This show is being held in the

ROYAL KENNEL CLUB BUILDING
Stoneleigh

NO CHALKING PERMITTED
(RKC Regulations)

Exhibitors found contravening this regulation will be fined

(if chalk is found on the floor of the venue the Collie Association will be fined by the Royal Kennel Club the sum of £100.00)

This Show is kindly sponsored by

ROYAL KENNEL CLUB REGULATION F12 - DOG FOULING & GROOMING WASTE

a. Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Royal Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
b. Any organisation holding a Kennel Club licensed event is required to provide an adequate number of receptacles for the disposal of such fouling waste.
c. The chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the Show is forbidden.

CHILDREN AT THE SHOW

Exhibitors are reminded that they will be held personally responsible for any loss or damage caused by children in their charge within the precincts of the Show. Parents and those with children in their charge should ensure that the children remain with them at all times during the continuance of the Show.

PLEASE KEEP THE VENUE TIDY AND CLEAN UP AFTER YOUR DOG

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

The Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites - this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers.

DOGS IN VEHICLES

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
